

European Society
of Vascular Medicine

The 2024 ESVM Academy

and Swiss Angiology refresher course

5 – 7 September 2024

Lausanne, Switzerland

Scientific Program

vascular-medicine.org/education

Course Directors:

- **Prof. Lucia Mazzolai.** Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland, President European Society of Vascular Medicine
- **Prof. Daniel Staub.** Cardiovascular Dept, Angiology division, Basel University Hospital, Switzerland

Faculty:

International

- **Dr Marianne Brodmann.** Division of Angiology, Medical University of Graz, Austria
- **Dr Alessandra Bura-Riviere.** Dept. of Vascular Medicine, Toulouse University Hospital, France.
- **Dr Giacomo Buso.** Dept of Clinical and Experimental Sciences, Spedali Civili, University of Brescia, Italy
- **Dr Christine Espinola-Klein.** Dept. of Angiology, Centre of Cardiology, University Medical Centre of the Johannes Gutenberg University, Mainz, Germany.
- **Dr Joanna Ferreira.** Vascular surgery, Hospital da Senhora da Oliveira, Guimaraes, Portugal
- **Dr Juraj Madaric.** Dept. of Cardiology and Angiology, Clinic of Angiology. Comenius University and National Institute of Cardiovascular Diseases. Bratislava, Slovakia.
- **Dr Tristan Mirault.** Hôpital européen Georges-Pompidou, University of Paris, France
- **Dr Oliver Schlager.** Dept. of Medicine II, Division of Angiology, Medical University of Vienna, Austria
- **Dr Vinko Boc.** Department of Vascular Diseases, University Medical Centre Ljubljana, Ljubljana, Slovenia
- **Dr Christian Heiss.** Vascular Department, Surrey and Sussex Healthcare NHS Trust, East Surrey Hospital, Redhill, UK

National

- Dr Adriano Alatri. Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland.
- Dr Lea Attias-Widmer. Vascular center, Centre hospitalier Bel-Bienne
- Dr Stefano Barco. Department of Angiology, University Hospital Zurich, Zurich
- Dr Sarah Bernhard. Angiology division, University hospital of Berne
- Dr Corina Canova. Angiology Grisons, Chur
- Dr Nicolas Diehm. Vascular Institute Central Switzerland, Aarau, Switzerland
- Dr Rolf Engelberger. Department of Internal Medicine, Angiology Unit, HFR Fribourg
- Dr Marco Fresa. Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland.
- Dr Axel Haine. Vascular Center, Bern
- Dr Marc Husmann. Center for Vascular Diseases, Zurich-Stadelhofen, Zurich
- Dr Nils Kucher. Department of Angiology, University Hospital Zurich, Zurich
- Dr Sanjiv Keller. Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland.
- Dr Stefano Lanzi. Ph. Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland.
- Dr Xhyljeta Luta. PhD. Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland
- Dr Lucia Mazzolai. Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland..
- Dr David Nanchen. Unisanté, Lausanne, Switzerland
- Dr Daniel Periard. Department of Internal Medicine, Angiology Unit, HFR Fribourg
- Dr Enrica Porceddu. Heart and Vessel Dept, Angiology Division, Lausanne University Hospital, Switzerland.
- Dr Aljoscha Rastan. Division of Angiology, Lucerne Cantonal Hospital
- Dr Helia Robert-Ebadi. Division of Angiology and Hemostasis, Geneva University Hospital
- Dr Kerstin Schurch. Venous Center Bad Ragaz
- Dr Marc Schindewolf. Angiology division, University hospital of Berne
- Dr Daniel Staub. Department of Angiology, University Hospital and University of Basel, Basel
- Dr Dörte Wyss. Department of Angiology, University Hospital Zurich, Zurich

The 2024 ESVM Academy

and Swiss Angiology refresher course

5 – 7 September 2024

Lausanne, Switzerland

Topics:

- Peripheral artery disease
- Diseases of the carotids and aorta
- Venous thromboembolism
- Chronic venous disease
- Lymphedema / Lipedema
- Rare Vascular diseases and vascular malformations
- Workshops: Vascular ultrasound; Exercise; Venous intervention

Venue

Mövenpick Hotel, Lausanne
Av de Rhodanie 4, 1007 Lausanne-Switzerland

Registration fee:

300 Euros, includes:
lunches (6/7 September) and coffee breaks.

Scientific Program

5.09.2024 Thursday

12:00 – 13:00 ... **Arrival and Welcome coffee**

13:00 – 14:00 ... **Workshops**

Workshop no. 1: Duplex ultrasound of haemodialysis access S. Keller, C. Canova

Workshop no. 2: Venous interventions M. Fresa, R. Engelberger

Workshop no. 3: Arterial interventions M. Husmann, A. Rastan

14:00 – 15:00 ... **Workshops**

Workshop no. 1: Duplex ultrasound of haemodialysis access D. Staub, K. Schurch

Workshop no. 2: Venous interventions M. Fresa, R. Engelberger

Workshop no. 3: Arterial interventions M. Husmann, A. Rastan

15:00 – 15:20 ... Coffee break

15:20 – 15:30 ... **Welcome** L. Mazzolai

15:30 – 17:00

Peripheral Artery Disease: focus on the latest 2024 ESC guidelines

C. Espinola-Klein, D. Staub

a) What's new in the 2024 PAD guidelines L. Mazzolai

b) Diagnosis of PAD A. Bura

c) Optimal medical treatment of PAD T. Mirault

d) When and how to revascularize? M. Brodmann

e) Chronic limb threatening ischemia V. Boc

17:00 – 18:00 ... **Interactive case-based session on cardiovascular prevention**

moderators: S. Keller, G. Buso

Special situations, case based, moderated by young angiologists:

fire questions to the experts: T. Mirault, C. Espinola-Klein

6.09.2024 Friday

08:30 – 09:45

Chronic venous disease, lymphedema, and lipedema – up to date

A. Bura, D. Periard

- a) Epidemiology, risk factors and diagnosis of chronic venous disease R. Engelberger
- b) Role of venotonic drugs: all you need to know in 2024 J. Ferreira
- c) Lymphedema from diagnosis to treatment L. Mazzolai
- d) Lipedema, from diagnosis to treatment G. Buso

09:45 – 10:05 ... Coffee break

10:05 – 11:15 ... **Interactive session: how to read a scientific paper** X. Luta

11:15 – 11:45 ... **Lipid-lowering: state of the art and innovation** D. Nanchen

11:45 - 12:00 ... Round table with experts

09:45 – 10:05 ... Lunch break

13:00 - 14:30

Carotid arteries and aorta

V. Boc, C. Canova

- a) Asymptomatic carotid artery disease – current evidence of treatment C. Espinola- Klein
- b) Symptomatic carotid artery disease – current evidence of treatment M. Brodmann
- c) AAA screening, still worth it? J. Madaric
- d) Current treatment of AAA S. Deglise
- e) Follow-up of AAA D. Staub

14:30 - 14:50 ... Coffee break

14:50 - 16:20

Others

C. Heiss, L. Attias

- a) Congenital rare vascular diseases, an overview T. Mirault
- b) Pelvic syndrome, from diagnosis to treatment M. Fresa
- c) Erectile dysfunction from diagnosis to treatment N. Diehm
- d) Diagnosis and management of renal artery stenosis J. Madaric
- e) Vascular malformations: classification and diagnostic approach S. Bernhard

16:20 ... **Interactive session (hopefully outdoor...): Exercise and PAD** S. Lanzi

7.09.2024 Saturday

08:30 – 09:45

Venous thromboembolism – current evidence

A. Bura, L. Mazzolai

- a) DVT: from diagnosis to treatment and follow up S. Barco
- b) Interventional management of acute DVT: when, how? O. Schlager
- c) PE: from diagnosis to treatment and follow up S. Barco
- d) The future of anticoagulation A. Alatri

09:45 – 10:00 ... Coffee break

10:00 – 11:30

Coming back to PAD

J. Madaric, M. Brodmann

- a) Polyvascular disease V. Boc
- b) Role of nutrients in PAD: good or bad? C. Heiss
- c) Acute limb ischemia: from diagnosis to treatment A. Haine
- d) Tips and tricks of femoro-popliteal endovascular treatment M. Schindewolf

11:00 – 12:00 ... **Interactive case-based session on VTE**

moderators: D. Wyss, E. Porceddu

Special situations, case based, moderated by young angiologists:
fire questions to the experts: A. Bura, S. Barco, H. Robert-Ebadi

12:00 ... **Closing remarks**

L. Mazzolai, A. Bura
